Hello! This is a mini-version of the Shorthorn Quarterly newsletter as there isn't near as much material for me to write about with there no longer being a Spring Jr. Field Day to write about. Those of you who couldn't make it to the CA Shorthorn Association Picnic hosted by the Wittes in April missed out on a great time. You can see pictures of the weekend at the link on the Wittes' website, www.witteshorthorns.org, thanks to Tim and Amy Whitfield for recording those moments in history.

This is your first reminder that sale entries for the Spotlight on Quality Sale are due in to Greg Cardey by **August 1st**. It is very important that we get the entries in on time! The sale committee (Alpha Gipe, Don Cardey, Greg Cardey) would like to be able to begin distributing sale catalogs at the California State Fair (Aug. 15th) this year to increase visibility of the sale. Mail or email entries to Greg Cardey, gcardey@yahoo.com

If you are interested in being a part of the SOQ ad in the Shorthorn Country, please call Alpha Gipe as he will be coordinating the ad. If you have questions about the ad call Alpha Gipe at 209-358-9377.

The schedule at the Plymouth SOQ Sale Weekend will be the same as last year, make sure to get the weekend marked down on your calendars!
